

CREATIVE IN-KIND MATCH

COMPILATION OF STATE RADON PROGRAM
RESPONSES

PRESENTED BY
ADRIAN HOWE
CHAIR CRCPD E-25 COMMITTEE ON RADON

Solicitation of State Radon Program

- What kinds of things do you use as state match?
- Do you use match from other state agencies or non-state match?
- Do you have any ideas for other states concerning sources of match which some might be overlooking?
- Any other thoughts on developing state match?

STATE RESPPONSE

- 12 States Responded
- Nearly all states utilize state personnel salary, fringe and indirects, making this the most utilized tool for In-Kind Match.
- The next most utilized tool for In-Kind Match was the use of other state and local government entities.

STATE RESPONSE

- State Personnel (Salary and Fringe) – 10 States
- Indirects – 5 States
- Office Space – 2 States
- State Supplies – 1 State
- Other State Agencies – 5 States
- Local Government Agencies – 9 States
- Private Agency Partners – 4 States

STATE RESPONSE

- State Travel – 1 State
- Training Fees Paid by Private Sector – 1 State
- Regional Radon Training Center
Consultation with State Residents – 2 States
- Realtor Training Value of Time – 1 State

Nevada Plug

- Utilize the Western Regional Radon Training Center to present the “Train the Speaker Program” to Community Health Nurses
- Community Health Nurses are state employees located in rural areas in the state.
- Estimate that each Community Health Nurse provides 3 hours per month providing radon information and presentations.

**LET'S HEAR YOUR
IDEAS!!!**
